A **PACCAR** COMPANY

Oliva Torras  
Sir Joan Carlos Puigtió  
Cami de Rajadell, s/n  
08241 MANRESA  
Spain

Our ref.: 2012.970.L004

Dear Joan,

We have no objection against the compressor Mount & Drive Kit fitment by Oliva Torras with regard to the following DAF vehicle type FA LF45 and FA LF55 with 4,5 litre engine (140 hp; 160 hp; 185 hp and 207 hp) provided however that the following conditions are strictly complied with:

- All applicable DAF guidelines (e.g. DAF Bodybuilder Guidelines, Sales Engineering Information, etc.) will be adhered to. You are requested amongst others to take special notice of the following: Oliva Torras MOUNT & DRIVE KITS kit number KC 11090245 and drawing KC 11090245 Rev January 2012.
- The required modification / installation will have to be undertaken by qualified and competent workshops and employees. Adequate instructions will be provided by Oliva Torras.
- Any legal implications that the modification / installation has in the country where the vehicle is to be operated and/or registered are the sole responsibility of the conversionist.
- The safety of any part of the vehicle must not adversely be affected by the modification / installation either directly or indirectly.
- DAF accepts no liability for any claims or damages arising out or related to the design and manufacture of the product and the modification / installation.
- Oliva Torras shall indemnify and hold harmless DAF Trucks N.V. and any of the affiliated companies against any and all such claims and damages except in so far as Oliva Torras can prove that these are attribute to DAF Trucks N.V. gross negligence or wilful default.
- In any event Oliva Torras shall indemnify and hold harmless DAF Trucks N.V. and any of the affiliated companies against damages other than direct damages, such as, but not limited to, consequential damages or loss of profits or loss of use to the user of the vehicle or to third parties.

By executing the compressor Mount & Drive Kit fitment with regard to the DAF vehicle type FA LF45 and FA LF55 with 4,5 litre engine, you accept the conditions stated above.

Yours sincerely;

Hans Mentzel  
Sales Engineering
